These Terms and Conditions shall remain in effect until terminated by either the User or TRADEVERSITY. The User acknowledges that TRADEVERSITY reserves the right to suspend or permanently deny access to its services to any User at its sole discretion, without the need for prior written notice. Such termination may occur for reasons including, but not limited to, breach of these Terms or any applicable law.

Should the User wish to terminate their agreement with TRADEVERSITY and cease using the Service, they may do so at any time by following the procedure outlined below:

1. The User must submit a written request for account closure or service termination via email to support@tradeversity.pro, with the subject line clearly stating "Account Closure/Service Termination."
2. The email must include the following statement: "I, [Full Name as it appears on your account], request the immediate closure of my TRADEVERSITY account."
3. TRADEVERSITY will respond to the User's request within five (5) business days with a confirmation that the account has been closed.

The User may also request that their personal information be removed from TRADEVERSITY's records to avoid receiving future communications about products, services, or offers. TRADEVERSITY shall comply with such a request and provide written confirmation upon completion.

Please note that the termination or cancellation of an account or service will take effect on the date the User's notification is received and processed by TRADEVERSITY.

Warranty and Disclaimer

TRADEVERSITY strives to provide a high-quality service; however, the User acknowledges and agrees that the TRADEVERSITY Service is provided "**as is**" and "**as available**," without any warranties, whether express or implied, including but not limited to any warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement. The User assumes all risks associated with the use of the TRADEVERSITY Service.

To the fullest extent permitted by applicable law, TRADEVERSITY, along with its affiliates, licensors, and content providers, expressly disclaims any warranties of satisfactory quality, reliability, or the fitness of the TRADEVERSITY Service for a particular purpose. Furthermore, TRADEVERSITY does not warrant that the Service will be free from viruses, malware, or other harmful components, or that it will be uninterrupted or error-free.

TRADEVERSITY makes no warranties, endorsements, or representations concerning any third-party applications, services, user-generated content, or any other products or services offered by third parties via the TRADEVERSITY Service. The User acknowledges that the availability or use of third-party services and applications may be subject to separate terms and conditions imposed by those third parties, and TRADEVERSITY assumes no responsibility or liability for the content, accuracy, or availability of such third-party applications or services.

Limitations

The User agrees that their sole and exclusive remedy for any dissatisfaction with the TRADEVERSITY Service is to discontinue using the Service. TRADEVERSITY disclaims any liability arising from the use of third-party applications or their associated content, and the User acknowledges that any issues arising from third-party applications must be addressed by uninstalling or ceasing to use such applications.

To the fullest extent permitted by law, TRADEVERSITY shall not be liable for:

1. **Indirect, special, incidental, punitive, exemplary, or consequential damages**, including but not limited to loss of profits, data, or goodwill, arising out of or in connection with the use or inability to use the TRADEVERSITY Service, third-party applications, or any content provided therein, regardless of the legal theory on which such claims are based, even if TRADEVERSITY has been advised of the possibility of such damages;
2. **Losses of business, revenue, data, or goods**, whether direct or indirect, resulting from the use or inability to use the TRADEVERSITY Service or any third-party applications, regardless of the nature of the claim or the legal theory under which the claim is brought;
3. **Aggregate liability for all claims relating to the TRADEVERSITY Service, third-party applications, or any third-party content** in an amount exceeding the total fees paid by the User to TRADEVERSITY within the twelve (12) months preceding the event giving rise to such liability, to the extent permitted by applicable law.

The limitations of liability contained in this section shall apply even if any remedy provided herein fails of its essential purpose.

Severability and waiver

If any provision of these Agreements is found to be invalid, unlawful, or unenforceable by any competent authority, such invalidity or unenforceability shall not affect the enforceability of the remaining provisions, which shall remain in full force and effect to the maximum extent permissible under applicable law. In such cases, the invalid provision will be deemed severed from the Agreements and replaced with a valid and enforceable provision that most closely reflects the original intent of the parties within the limits of the law.

The failure by TRADEVERSITY, or any third-party beneficiary, to enforce any provision of these Agreements or exercise any right under them shall not be construed as a waiver of that provision or right, nor shall it preclude or limit TRADEVERSITY's right to enforce such provision or exercise such right at a later time.

Indemnification

To the fullest extent permitted by applicable law, the User agrees to indemnify, defend, and hold harmless TRADEVERSITY, its affiliates, officers, agents, employees, and partners from and against any and all claims, liabilities, damages, losses, costs, or expenses, including reasonable legal fees, arising out of or related to:

1. **The User's breach** of any provision of these Agreements;
2. **Any User Content** provided or generated by the User through the TRADEVERSITY Service;

3. **Any activity or action** undertaken by the User in connection with the TRADEVERSITY Service;
4. **Any violation of applicable laws** or infringement of the rights of any third party by the User.

This indemnification obligation shall survive the termination or expiration of these Agreements and the User's use of the TRADEVERSITY Service.

Jurisdiction

TRADEVERSITY operates in compliance with the laws of Cyprus. As such, any disputes, claims, or controversies arising out of or in connection with these Agreements, or the User's use of the TRADEVERSITY Service, shall be subject to the exclusive jurisdiction of the courts of Cyprus. By agreeing to these terms, the User consents to the personal jurisdiction of such courts and waives any objections to venue or inconvenient forum.
